# ABOUT OUR COMPANY

Established in 2013, First Move Logistics (FML) has evolved from a specialized local team in Benin Republic into a premier global freight forwarding provider. Today, FML maintains a dominant footprint across West Africa and beyond, with our corporate headquarters in Benin and strategic branch offices in Togo, Nigeria, Niger, Burkina Faso, Dubai (U.A.E.), and the USA. Our strength lies in this extensive physical presence combined with a vast global reach; as active members of major elite logistics networks

# OUR CLIENTS

# OUR MISSION & VISION

## The Heart Behind Our Service

### Our Mission

To provide seamless, world-class freight forwarding and supply chain solutions through a dedicated network across West Africa and beyond. We are committed to delivering 100% customized services that prioritize maximum customer satisfaction, reliability, and the safe, on-time delivery of every shipment, regardless of complexity.

### Our Vision

To be the premier global logistics partner recognized for operational excellence and a "customer-first" mindset. We aim to redefine the standards of the logistics industry by consistently living our motto, "Every Move, Our First," and expanding our global reach to connect businesses to every corner of the world.
